ONTARIO EAST
ECONOMIC DEVELOPMENT

Ontario East Economic Development Practitioners.

Introducing communities focused on Food Processing

The Ontario East Economic Development Commission promotes Eastern Ontario as a centre for investment. Ontario East represents over 200 communities, with more than two million residents.

We offer premier market access to the US with superior transportation infrastructure. The region outperforms most others on cost competitiveness. It has a highly-skilled and motivated workforce, world-class academic institutions with vibrant research centres, excellent R+D tax credit programs, investment support programs, leading edge technologies and training, and market ready investment properties.

Explore our investment-ready communities and our Eastern Ontario small business support network.

We are ready to assist you.
